

Parks

Parks in your country

- What activities do people do at parks in your country?
- How long do people go for?
- What type of person goes?
- Do you like going to parks? Why?

Half Dome - Yosemite

- Describe the park
- What are the people doing?
- How is the park different than parks in your country?

State of California

State

- Owned by the state
- Usually smaller than National Parks
- Usually not as expensive as National Parks

National

- Owned by the government
- Usually bigger than State Parks
- Usually more expensive than State Parks

Homework

Write about 1 park (not the one you chose) you would like to visit and why
